Ysgol Dyffryn yr Enfys

Efallai eich bod wedi gweld rhai o blant Ysgol Dyffryn yr Enfys yn crwydro'r pentref yn ystod yr wythnosau diwethaf. Mae Dosbarth Eigiau wedi bod yn gwrandao ar y stori Swper taten ac yn y stori mae 'skyscrapers'. Aeth y plant ar helfa adeiladau i chwilio am adeiladau tal a byr iawn. Er na ddaethant o hyd i unrhyw skyscrapers yn Nolgarrwg cawsant weld gwesty uchel yr Hilton a'r cabanau pren byr. Mae Dosbarth Crafnant hefyd wedi bod ar daith gerdded yn y pentref fel rhan o'u thema Tri Mochyn Bach ac yn chwilio am wahanol fathau o dai. Yn ffodus ni welsant y Blaidd Mawr Drwg ar eu teithiau.

Rydym hefyd wedi cael cwpl o ymwelwyr i'r ysgol y mis hwn gan gynnwys Ambiwllans Sant John lle cafodd plant Dosbarth Melynlyn, Duly'n a Geirionydd gyfle i ddyegu a rhoi cynnig ar eu Sgiliau Cymroth Cynafar ar eu gilydd ac ar y dymis. Cawsom hefyd ymweliad gan Sam a James Hosbis Dewi Sant a arweiniodd wasanaeth ar eu gwaith a sut y gallwn helpu gyda chodi arian.

Edrychwn ymlaen at ein **Ffair Haf** a gynhelir yn yr ysgol ar **Ddydd Sadwrn, Mehefin 22ain o 11am - 4pm**. Bydd stondinau, lluniaeth, gemau, castell neidio a chroeso cynnes i bawb.

You might have seen some of the children from Ysgol Dyffryn yr Enfys wandering around the village in the last few weeks. Dosbarth Eigiau have been listening to the story Super Poatato and in the story there are skyscrapers. The children went on a building hunt to look for very tall and short buildings. Although they did not find any skyscrapers in Dolgarrog they were able to spot the tall Hilton hotel and the short wood cabins. Dosbarth Crafnant have also been on a walk in the village as part of their Three Little Pigs theme and were looking for different types of houses. Luckily they did not spot The Big Bad Wolf on their travels.

We have also had a couple of visitors to the school this month including St John's Ambulance where the children from Dosbarth Melynlyn, Duly'n and Geirionydd were able to learn and try out their First Aid Skills on each other and on the dummies. We also had a visit from Sam and James St David's Hospice who led an assembly on their work and how we can help with fundraising.

We are looking forward to our **Summer Fair** which will be held at the school on **Saturday, June 22nd from 11 am - 4pm**. There will be stalls, refreshments, games, a bouncy castle and a warm welcome to all.

£60.00 per person, including materials. Tea & coffee provided. Please bring a packed lunch and cold drink in recyclable bottle.

Spaces available. Six (Suitable for 16 year +)

Eleri Griffiths is a professional photographer, fine artist and educator. As well as running her own freelance business she enjoys playing with historical photographic processes such as cyanotypes & platinum palladium.

Introduction

Cyanotype is one of the oldest photographic process, dating back almost 180 years. The simplicity and effective contrast of blue and white images have remained a favourite process for photographers and artists alike.

What to expect

In this workshop you will be guided through the process of making cyanotype prints, all materials will be provided and you will have the opportunity to experiment with a variety of processes. You will receive an information sheet with advice and links to websites where you can order supplies and find inspiration.

You are welcome to bring additional materials such as dried pressed flowers, leaves, feathers, lace, or any item that can be pressed flat.

What to wear

For the workshop, liquid cyanotype can splash and stain so I would advise wearing an old shirt or apron.

Cancellation Policy

Should I need to cancel a workshop due to unforeseen circumstances, illness or bad weather, I will aim to give you as much notice as possible. A full refund will be offered if you are unable to attend a re-scheduled event. Unfortunately I cannot accept any liability for travel or other costs.
